

Pay Security and Clealiness

ABOUT SYSTEM

Pay security|clealiness system is an E-payment system that will be helpful to all Rwandan people especial those who live in kigali to pay monthly fees for security and cleanliness where they will be able to pay wherever they are without wasting thier time . additionally, they will be automatically announced by the system at the end the month as well as obtion of seeing historic of payment

Security

Rwanda is one of the safest destinations in Africa, all comes from colaboration among Rwandan security forces and citizens participation

Cleanliness

In Rwanda there many countries that are responsible for collecting and transporting waste from homes so that to keep country cleaned. Rwandan are supposed to pay for that services.
